

**LABORATORY EXERCISE ONE: LABORATORY ORIENTATION**

Laboratory Wears ..... 8  
Electrical Fixtures ..... 9  
Water Distiller ..... 13

**LABORATORY EXERCISE TWO: LABORATORY MATERIALS AND SECURITY**

Laboratory Materials ..... 14

Comment [S.O.1]: Break into two

**LABORATORY EXERCISE THREE: LABORATORY, SAFETY AND FIRST AID**

Fire prevention ..... 16  
Firefighting ..... 16  
Pilferage prevention ..... 17  
Accident prevention ..... 18  
Emergency exits ..... 18  
Rehearsal of emergency exit ..... 19  
Smoke-filled room ..... 19  
First aid Techniques ..... 19  
Hazard Warning Symbols ..... 19  
First aid box ..... 20

Comment [S.O.2]: Break into two

**LABORATORY EXERCISE FOUR: PRINCIPLES OF BIOLOGICAL DRAWING I**

Foreshortening..... 19  
Perspective ..... 23

Highlight .....	24
Shadow .....	24
Drawing portions .....	26
Relative proportions/Length .....	26
Angles subtended by each portion .....	26
Mop up/Erase .....	26
Stipple at appropriate positions .....	26
Draw the guidelines .....	26
Label the structures .....	26
Annotate features .....	26

**LABORATORY EXERCISE FIVE: PRINCIPLES OF BIOLOGICAL DRAWING II: MORE PRACTICE**

**LABORATORY EXERCISE SIX: COLLECTION AND PRESERVATION OF PLANTS: EMPHASIS ON PLANT PRESS ..... 27**

**WEEK 7: MIDSEMESTER TEST:**

**LABORATORY EXERCISE EIGHT: METHODS OF COLLECTING, KILLING AND PRESERVING ANIMALS I: PRACTICE**

Construction of a Pooter .....	33
Construction of a Baermann funnel .....	33
Construction of an Insect box .....	35
Setting up the anaesthetizing jar .....	35

**LABORATORY EXERCISE NINE: METHODS OF COLLECTING, KILLING AND PRESERVING ANIMALS II: PRACTICAL SUBMISSION**

**LABORATORY EXERCISE TEN: THE LIGHT MICROSCOPE I: BASIC MICROSCOPE OPERATION**

Parts of a Microscope ..... 38

Basic Microscope Operations

**LABORATORY EXERCISE ELEVEN: THE LIGHT MICROSCOPE II: DRAWING AND MEASUREMENTS UNDER THE MICROSCOPE**

**LABORATORY EXERCISE TWELVE: THE LIGHT MICROSCOPE III: EXAMINING PLANT AND ANIMALS CELLS**

Study your own cheek epithelial cells ..... 38

Prepare onion epidermal cells ..... 40

**LABORATORY EXERCISE THIRTEEN: ADAPTIVE USES OF THE LIGHT MICROSCOPE: DARK FIELD, FLORESCENCE, INVERTED, PHASE CONTRAST**

WEEK 14: REVISION

WEEK 15: EXAMINATION
