## OUR VISION

To be a leading World Class University, by spearheading an agrarian revolution on the African continent through the exploration of hidden treasures in the mother-earth thereby restoring the dignity of the Black Race.

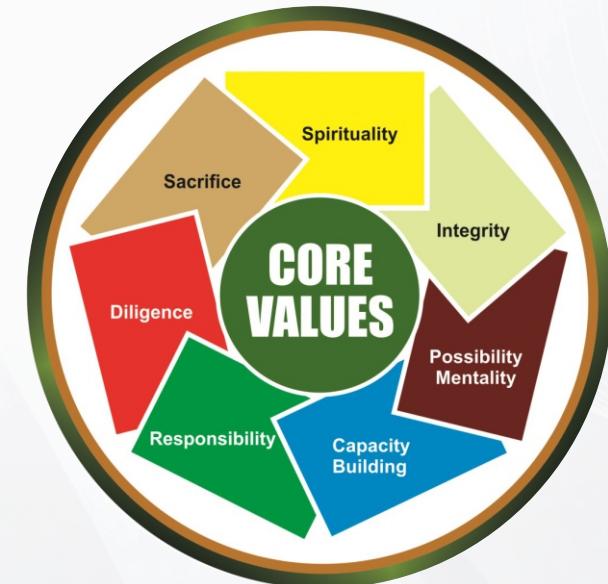

## OUR MISSION

Raising a generation of solution providers through a qualitative and life-applicable training system that focuses on value and creative knowledge

Raising a new generation of leaders through a broad-based qualitative education built on sound biblical principles culminating in the birth of breadwinners, job creators and world changers

Raising an army of reformers who shall redeem the battered image of the black race and restore her lost glory as these well-equipped graduates begin to build the old waste, repair the wasted cities and raise the desolation of many generations as pathfinders.

## Testimonies from the **EXTERNAL CONTEXTS**

Highly Impressed with the Facilities and Equipment.

**Professor A. T. Abdullahi (NUC Accreditation)**

Landmark has been a Vanguard of Agricultural Mechanization in the country. I am pleased to say that the University is on the right path to realizing the Vision in Agriculture from the salient achievements made. More grease to her elbow.

**Dr. Muideen Yomi Kasali (Ag. Executive Director) National Center for Agricultural Mechanization (NCAM), Ilorin**

*The Vision of the University is actually in tandem with the mission of the Nigerian Institute of Agricultural Engineering (NIAE), a well set agenda for the effective take off of the University goal.*

**Engr. Dr. J.O. Olaoye (Department of Agric & Biosystems Engineering) Unilorin, Ilorin.**

*Landmark University has been a Leader in the Agrarian Revolution In Nigeria. Our prayer and hope is the Lord's continuous guidance in this role. We pray that the Lord Almighty will continue to lead, guide and direct our Papa, Mama and the Management of the University.*

Amazing time from gate right to the Vice-Chancellor's Office. There is an aura of excellence evident across both staff and students in the campus community.

**Babafemi Adewunmi AgriTech Initiative**

Landmark University is a place to be, the University started well as an Agri-based entrepreneurial University; with the drive of the current administration, the University would soon be rated amongst the world be

**Dr. Dele Oyeku (Director, Extension & Linkage), Federal Institute of Industrial Research Oshodi (FIIRO)**

Remarkable Institution, beautiful, well maintained, courteous students and officials.

**Anoko Odukoya Head of Strategy & Innovation IDDO Care LTD**

The University took off on the right footing. Hopefully this would be sustained in order to restore the dignity of mankind.

**Engr. Dr. O. A. Ogunjirin State Chairman, NIAE, National Center for Agricultural Mechanization (NCAM)**

From all Indications the University is soaring. This is great. I have that feeling that others will learn from here.

# Appreciation

# Appreciation

On behalf of the Chancellor and Chairman, Board of Regents, Landmark University, Dr David Oyedepo, Management, Senate, Faculty, Staff, and Students of Landmark University, I heartily express our deepest appreciation for your presence at our 8<sup>th</sup> Matriculation ceremony. It was a clear indication of your unreserved involvement and interest in our University for her unique education system, which has encouraged us a great deal to continue on the visionary stride.

With your continued cooperation, we shall create a path of a glorious future for the matriculated students in their sojourn in the amazing Landmark University. We will all return with gratitude to God, celebrating their convocation in no distant time in Jesus' name. Amen.

Thank you and God bless.
